

INDIA'S FIRST SMART LOOK

# PURE & HEALTHY WATER PURIFIER

## CurvePro

ALKALINE + COPPER  
FILTER CARTRIDGE

BIS APPROVED

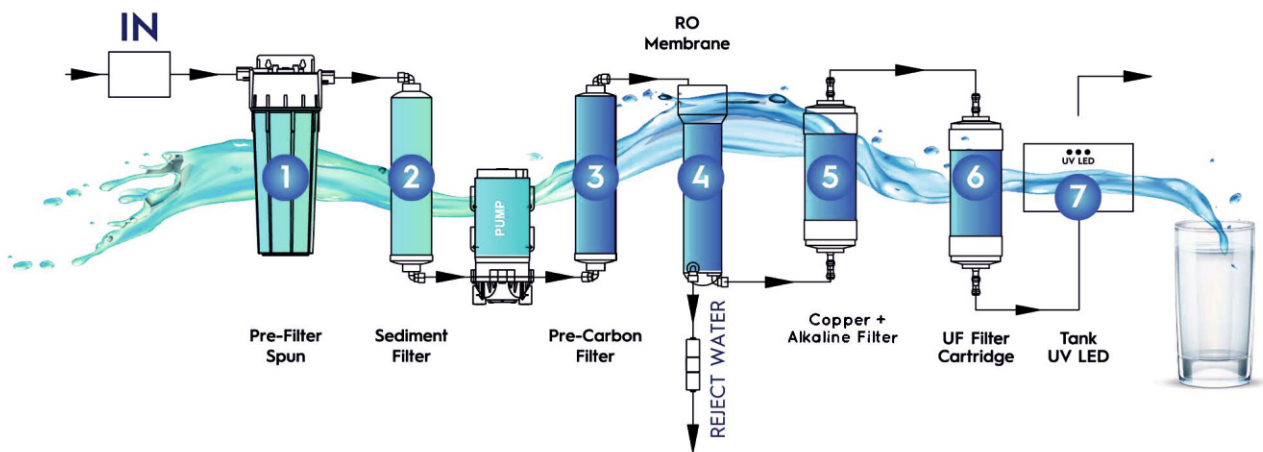

### Why Choose Chrome CURVE PRO RO?

The **Chrome CURVE PRO** RO Water Purifier is a premium water purification system designed to offer advanced filtration, aesthetic appeal, and user-friendly features. This Purifier has **FILTER CHANGE ALERT** which notifies you exactly when the filter needs to be changed, ensuring your purifier always performs at its best and delivers clean, safe water.

With a 1-year operational life, it provides timely alerts when your filter needs replacement—ensuring continuous purification and protecting your family from unseen contaminants. One smart reminder, once a year, for year-round peace of mind.

### Features:

- 7-Stage Purification System
- Copper + Alkaline Filter
- BIS CERTIFIED by Latest amendment of India
- Filter Change Alert.
- Smart LED Indicators with 8 Litres Storage Capacity
- Sleek and Modern Designed with Screwless System
- 1100 IV Coconut Shell Based Carbon Block Filter

### Technical specifications
